

Adaptive Sports Center

Where possibilities are endless!

February 3rd—February 5th

2007

Transition Mission

This is our fourth annual intermediate monoski camp. The goal of this camp is to make the transition to the next level of skiing! We will push the envelope on steeper terrain, bumps, powder and in variable conditions. Don't miss out on this one! Our staff of can get you to the next level.

Highlights

- Learn and observe from other monoskier
- Individual instruction
- Video Analysis
- \$350 (includes; lift tickets, instruction, local transportation, equipment, and lunches)

Break out of the skiing comfort zone and do something different!

Come celebrate 20 years with the ASC!
